The Warm Coats from Warm Hearts program began in 1998. Each year Granny White Pike Church of Christ sponsors a coat drive for people in need of a warm coat. If God blessed you, will you bless another by bringing a gently used or new coat? We ask that if you wouldn't wear it, please don't send it. We want to bless people with usable coats. Since the beginning of this program, 75,122 coats have been given away. Please bring your coats by November 11th to meet the deadline of November 14th.

All members are invited to attend and give your ideas and input regarding our work.

We continue to collect money to feed the children in Africa. We have seen the joy children feel at being a part of meeting a basic need of people less fortunate than themselves. 50 cents provides a child one meal. Encourage them to see how many meals they can provide for a hungry child. The collection jar is located on the table in back of the auditorium.
